

Special ways
of supporting
Hollybank

Legacies

**Legacies, donations and fundraising activities
in memory of a loved one, are vital sources
of income for Hollybank.**

We are extremely grateful for the donations we receive
from supporters in Lieu of Flowers from funerals and
on anniversaries and birthdays of loved ones.

Legacies

Leaving a Gift in your will is a wonderful way to support our work. Making a will is something that many people avoid doing, but the process need not be complicated or expensive and we would always recommend visiting a solicitor to ensure your will accurately represents your wishes.

Donations large or small and items to sell will all help us to continue to give Quality of life, for life to all those who need our care at Hollybank.

Make a difference

- £50 Speech Therapy session.
- £100 Hydrotherapy for babies.
- £500 Communication equipment for non-verbal children.
- £1000 Assistive Technology equipment to enable disabled adults to operate household appliances.

Larger gifts will help us with building programmes, repairs and developments.

If you would like to discuss this very special way of making a donation and remembering a loved one or information regarding Legacies please contact Julie.

A little about us

Founded in 1953, Hollybank Trust cares for 128 babies, children, young people and adults with profound disabilities and associated learning difficulties.

All of our residents have complex medical learning needs, most are non verbal communicators and many residents have visual impairments.

To enable us to meet our goals each year, legacies, regular fundraising, voluntary help and donations are essential. This is where you can help.
